

# HOEKL100HAK

## Dimensions

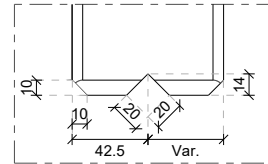

## Details

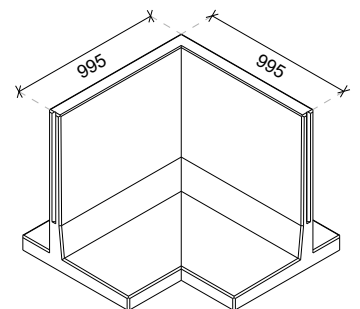

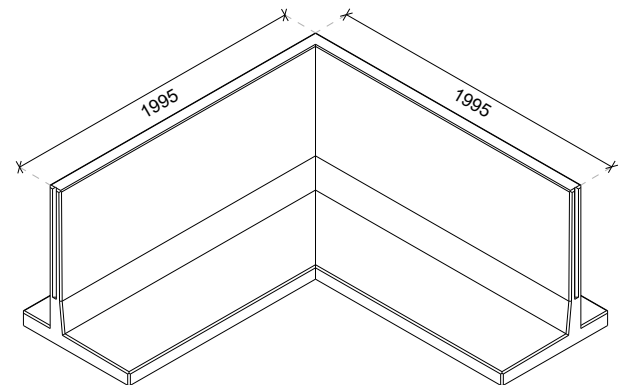

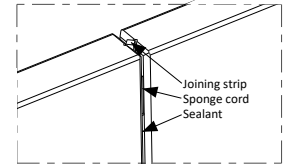

Rounded top edge

Groove for joining strip

Element connection

## Technical details

|                         |                                              |
|-------------------------|----------------------------------------------|
| Concrete mixture        | 3rd generation self-compacting C55/67        |
| Reinforcement steel     | B500                                         |
| Weight                  | 1365kg (L=1995mm)<br>640kg (L=995 mm)        |
| Concrete cover          | 30mm                                         |
| Dimensional tolerance   | +/-5mm                                       |
| Concrete surface finish | All visible sides class A (B1 on request)    |
| Hoisting device         | None, to be placed with clamp                |
| Product warranty        | 10 years                                     |
| Environmental class     | XA3, XC4, XD3, XS3, XF4                      |
| Design life             | 50 years(XA3,XD3,XS3)<br>100 years(XC4, XF4) |

## Constructed according to

|                    |                          |
|--------------------|--------------------------|
| EN 1990 Eurocode 0 | EN 206                   |
| EN 1991 Eurocode 1 | Incl. national addendums |
| EN 1992 Eurocode 2 |                          |
| EN 1997 Eurocode 7 |                          |

## Produced method

Energy  
neutral

Filtered  
rainwater

Sustainable raw  
materials

Recyclable  
materials

## Certification
