

HOEKL100HAK

Dimensions

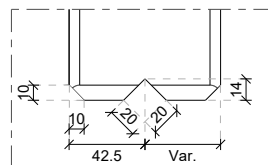

Details

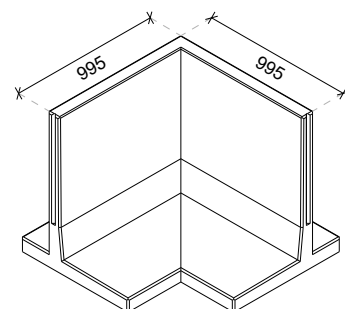

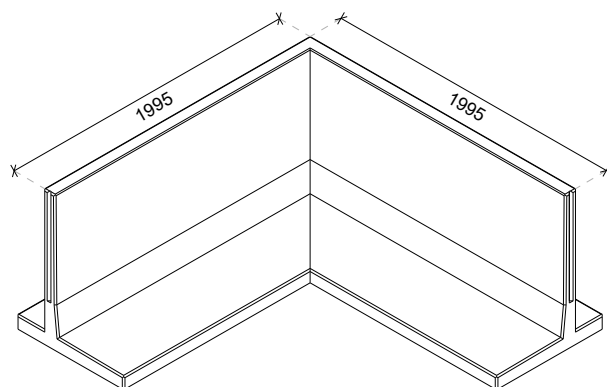

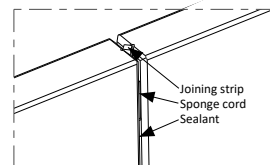

Rounded top edge

Groove for joining strip

Element connection

Technical details

Concrete mixture	3rd generation self-compacting C55/67
Weight	1365kg (L=1995mm) 640kg (L=995 mm)
Dimensional tolerance	+/-5mm
Concrete surface finish	All visible sides class A (B1 on request)
Hoisting device	None, to be placed with clamp
Product warranty	10 years
Environmental class	XA3, XC4, XD3, XS3, XF4
Design life	100 years

Constructed according to

EN 1990 Eurocode 0	EN 206
EN 1991 Eurocode 1	Incl. national addendums
EN 1992 Eurocode 2	
EN 1997 Eurocode 7	

Produced method

Energy neutral

Filtered rainwater

Sustainable raw materials

Recyclable materials

Certification
