

## LA150G

### Dimensions

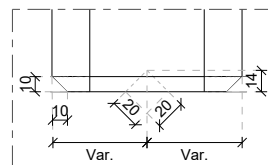

### Details

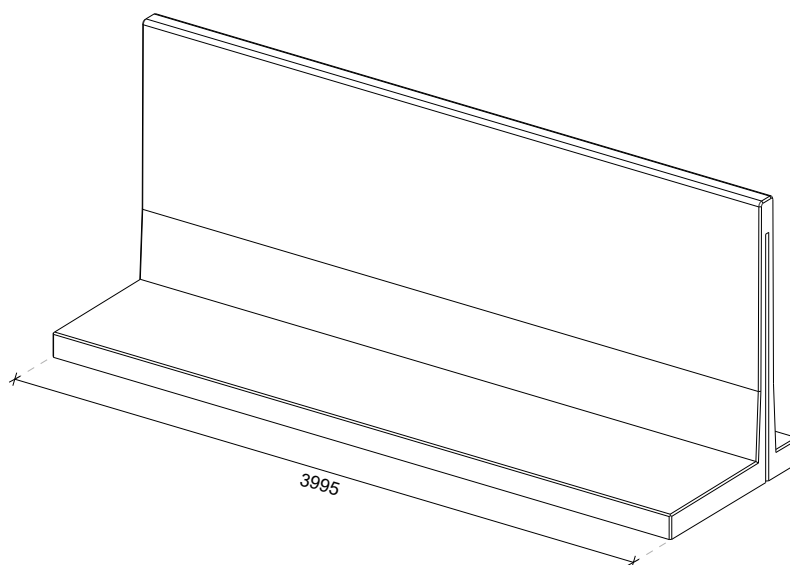

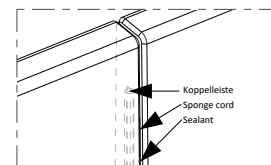

Rounded top edge

Groove for joining strip

Element connection

### Technical details

|                         |                                                |
|-------------------------|------------------------------------------------|
| Concrete mixture        | 2nd Generation self-compacting C60/75          |
| Reinforcement steel     | B500                                           |
| Weight                  | 3615kg (L=3995mm)                              |
| Concrete cover          | 30mm                                           |
| Dimensional tolerance   | +/-5mm                                         |
| Concrete surface finish | All visible sides class A (B1 on request)      |
| Hoisting device         | None, to be placed with clamp                  |
| Product warranty        | 15 years                                       |
| Environmental class     | XA3, XC4, XD3, XS3, XF4                        |
| Design life             | 50 years(XA3, XD3, XS3)<br>100 years(XC4, XF4) |

### Constructed according to

|                    |                          |
|--------------------|--------------------------|
| EN 1990 Eurocode 0 | EN 206                   |
| EN 1991 Eurocode 1 | Incl. national addendums |
| EN 1992 Eurocode 2 |                          |
| EN 1997 Eurocode 7 |                          |

### Produced method

Energy  
neutral

Filtered  
rainwater

Sustainable raw  
materials

Recyclable  
materials

### Certification
